CASE STUDY Legal

A Bloemfontein law firm founded in 1911 enjoys a 60% recovery ratio with nQ ZebraWorks

Legal	42	60%	1911
Free State	Employees	Recovery ratio	Founded

The problem

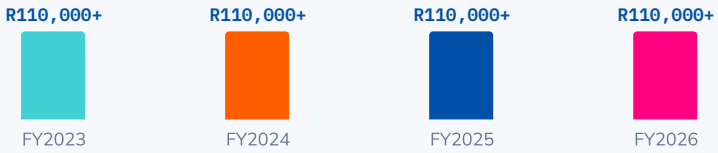
- One of Bloemfontein's oldest law firms, founded in 1911
- 42-employee practice needing consistent disbursement recovery
- Manual capture made it difficult to sustain recovery performance

The solution

nQ ZebraWorks tracking and billing every disbursement automatically since 2023.

Printing Copying Telephone Scan

R110,000+ average monthly recovery sustained since 2023



Sustained alongside a 60% recovery ratio. Client also reported a net fee increase over and above these disbursement recoveries.

* Client name withheld at their request.
